

## **CHAPTER EIGHT: MEMORY WORK**

### **Overview**

This section outlines the knowledge you must know for inspections, review boards, and CAP business. As a new cadet to the program we don't expect you to memorize everything right away. Review chapter 2 under Phase Requirements to see what you need to know for your current grade.

### **Cadet Oath:**

"I pledge that I will serve faithfully in the Civil Air Patrol cadet program, and that I will attend meetings regularly, participate actively in unit activities, obey my officers, wear my uniform properly, and to advance my education and training rapidly to prepare myself to be of service to my community, state and nation."

### **Cadet Honor Code:**

"On my honor, as a Civil Air Patrol Cadet of the California Wing I will not lie, cheat, steal, or commit any act of intentional dishonesty or tolerate those who do."

### **Definition of Leadership**

"The art of influencing and directing people in a way that will win their obedience, confidence, respect and loyal cooperation in achieving a common objective."

### **Definition of Military Discipline**

"Military discipline is that mental attitude and state of training which renders obedience under all conditions. It is founded upon respect for, and loyalty to properly constituted authority."

### **Value of Drill and Ceremonies**

"On the drill field the individual learns to participate as a member of a team, to appreciate the need for discipline that is to respond to authority, to follow orders promptly and precisely and to recognize the effects of their actions on the group as a whole. Learning to follow is the beginning of leadership."
